

You and any family members applying for a visa with you will need to have health examinations. You must be examined by one of the **Department of Home Affairs (Australia) approved panel physicians or clinics**. A panel physician is a doctor or radiologist appointed by the department to do health examinations outside Australia at an approved clinic.

Please ensure that you take the following with you to the examination:

- ☐ Health letter / HAP ID number
- ☐ Your original passport and a clear photocopy of your valid passport as identification, - no other form of identification is acceptable.

Below is the **list of clinics** where you can get the health examinations done:
